## 1. Introduction:

With the enlightenment of Holy Spirit, my consultation and guidance of His Eminence Cardinal Charles Bo (Archbishop of Yangon Archdiocese) and of His Excellency Bishop John Saw Yaw Han (Auxiliary Bishop of Yangon Archdiocese), Joseph Education Institute (JEI) was founded on 12<sup>th</sup> January 2015 as the first institute ever run by a layman in the history of Myanmar Catholic Church for Lay Theological formation.

Since 2016, with generous financial support of MISSIO Aachen and of **Porticus Asia**, we have opened the Correspondent Diploma Degree Course on Catholic Theological Studies. Upon this course, we surprisingly received unbelievable response from our fellow Catholics, denominations and other religions too.

## 2. Student Enrollment:

In our 2018-2019 academic year (Batch-3), there were (72) enrolled students but only (64) students (Male 37, Female 27) passed our diploma degree program which takes 18 months.

Therefore all (64) students were graciously awarded our Diploma Degree on Distant Catholic Theological Studies on 30<sup>th</sup> November 2019 at Melia Hotel in Yangon, Myanmar.

To this graduation ceremony, (60) students attended it and took the diploma degree from us. The rest diploma certificates of graduated students will be sent to our students by postal service which is now excellent in service with in safety too.
