We Are Hiring (5) Lecturers in
Computer Engineering and Computer Science.

Joseph Education University – JEU, is the first private flagship of a Catholic University in Yangon, Myanmar. This university was passionately founded by a Myanmar Catholic layman, Joseph Kung Za Hmung @ Win Hlaing Oo on 12 January 2015 in Yangon, Myanmar (Burma). This university is a national community of scholars and is made up of different colleges which are academic communities where students usually have their tutorials. JEU is looking for dedicated persons in computing and IT skills who are eager to share their skills and knowledge to young people for their better living standard and nation-building.
